A hand-drawn illustration of a login form within a browser window. The window has a title bar with three circles (minimize, maximize, close). Inside the window, there are two rounded rectangular input fields. The first field is labeled 'Username' and the second is labeled 'Password'. Below these fields is a pink rounded rectangular button labeled 'Login'. The background of the slide features a light gray background with decorative elements: a grid of dots in the top left, a pink abstract shape on the right, and a teal abstract shape in the bottom left.
